GENERAL INFORMATION

- Benefits will be provided based on level of contribution, beginning at \$100 annually. The higher the level, the higher the priority for seating assignments for athletic events and concerts, as well as parking lot location.
- Contributions must be paid prior to the distribution of any benefits, unless prior arrangements have been made.
- For basketball premium seating in John F. Savage Hall, an annual contribution to the Rocket Fund is required. This is an annual commitment based upon your particular seat location.
- The IRS has determined that 80% of a contribution is tax-deductible when the donor receives the right to purchase premium season tickets. Please check the box on the front if this applies to you, or if you wish to purchase premium seats as a result of your gift to the Rocket Fund.
- Matching gifts: Many companies match gifts. If your company will match your gift, please include the appropriate forms with this application. **Check your companies matching gift policy regarding athletic gifts, or feel free to call our office.**
